

Yostina Boules, University College London

Yostina has thrived to solve Energy challenges in Egypt through founding Taqa Solutions a start-up that helps rural communities gain access to affordable clean energy resources. Yostina is the winner of the first reality TV show for social entrepreneurs in MENA, which helped her cultivate nationwide support for achieving her goals in Climate Change awareness campaigns through collaborating with her peers in different communities and engaging ecosystems.

As a Chevening Scholar, Yostina is currently enrolled in research of Blockchain and decentralized energy supply through peer to peer trading on microgrids. After being nominated as the Global Entrepreneurship Network Ambassador for Egypt by Kauffman foundation for her passion to social entrepreneurship, she managed more than 50 events in collaboration with 30 community partners. Yostina is recognized as Pioneer of Egypt by Synergos, a Global Shaper by the World Economic Forum and a Changemaker by Ashoka.
